FOR IMMEDIATE RELEASE

Charles Alexander Appointed Business Development Director

Montreal, March 21st 2018 – Walker Glass Company Ltd. is pleased to announce the appointment of Charles Alexander as its new Business Development Manager.

Mr. Alexander will replace Marc Deschamps who recently retired from Walker. Charles will be responsible for leading the company's Marketing and Business Development functions (including the Architectural Services group) as well as leading various strategic growth projects for the company.

Prior to joining the company, Charles' experience came from the industrial products and construction/green building industry sectors where he held senior management positions in sales, marketing, business development and operations for companies including the Canam Group. Mr. Alexander holds an undergraduate degree in civil engineering, and he completed his MBA at McGill University.

"I've known Charles for a long time and was really happy to have the chance to bring him on board. His energy and previous work experience will be key to Walker's development. His personality is a great fit with our organization and I have faith in his talent and vision for Walker's future." says Ross Christie, Vice-President Sales & Marketing.

Walker Glass Company Ltd. is a dynamic market-driven enterprise with over 75 years of experience in the glass and mirror industry in North America. Innovation and creativity are at the heart of its development. Since then, the company has added a line of custom and stock patterns, **Walker Textures® Nuance** and a line of anti-slip acid-etched glass products, **Walker Textures® Traction**. Furthermore, Walker offers three bird friendly glass solutions: **AviProtek®**, **AviProtek® E***, **AviProtek® T**. And finally, **Walker Textures® Transition** is the custom solution for gradient effects on acid-etched glass.

**AviProtek® E is available with Solarban®60 VT and Solarban®70XL VT glasses by Vitro Glass*
