FOR IMMEDIATE RELEASE

Danik Dancause Promoted to Manager Marketing Operations

Montreal, April 4th 2018 – Walker Glass Company Ltd. is pleased to announce the promotion of Danik Dancause to the position of Manager, Marketing Operations.

Danik has been with Walker since 2002 and has held various positions within the company in a Business Development and Marketing capacity. In 2011, he assumed the architectural representation responsibilities for Eastern Canada. He will now be responsible for establishing Walker's marketing vision as well as managing the day-to-day Marketing operations and essential support to the architectural and sales directors.

In January 2017 Danik returned to McGill where he had graduated with a Marketing Certificate in 2004, completing a graduate program in Digital Communication and Community Management. In his new role, he plans to strategically expand Walker's social media program.

“Danik's extensive understanding of the glass business combined with his creativity and high-energy approach will ensure that Walker remains a leader in the niche segments that we serve. Danik is a perfect fit with where we want Walker to go over the years to come.” says Charles Alexander, Business Development Director at Walker.

Walker Glass Company Ltd. is a dynamic market-driven enterprise with over 75 years of experience in the glass and mirror industry in North America. Innovation and creativity are at the heart of its development. Since then, the company has added a line of custom and stock patterns, **Walker Textures[®] Nuance** and a line of anti-slip acid-etched glass products, **Walker Textures[®] Traction**. Furthermore, Walker offers three bird friendly glass solutions: **AviProtek[®]**, **AviProtek[®] E***, **AviProtek[®] T**. And finally, **Walker Textures[®] Transition** is the custom solution for gradient effects on acid-etched glass.

**AviProtek[®] E is available with Solarban[®]60 VT and Solarban[®]70XL VT glasses by Vitro Glass*
