WALKER GLASS ADDS MICHELE EGGENBERGER TO ITS ARCHITECTURAL PROMOTION TEAM

Montreal, October 26, 2012 – Walker Glass has announced that Michele Eggenberger has joined the architectural promotion team for Walker Textures acid-etched glass and mirror products.

Eggenberger has over 25 years of experience and knowledge in the architectural glazing market. She spent 15 years working for Apogee Inc. in the Tru Vue and Harmon Contract divisions. Her territory will cover five states including Illinois, Iowa, Wisconsin, Minnesota and Nebraska. "It is an exciting opportunity for me to work with Walker in expanding their efforts into those markets." says Eggenberger. She is a member of different associations such as BOMA, NGA and CSI. She earned a bachelor's degree in Political Science from the University of Los Angeles.

"We are very proud to have Michele with us. Her extensive experience and knowledge of the territory will be key in creating links between architects, designers, contract glaziers and Walker's fabricators." says Marc Deschamps, Business Development Manager.

Walker Glass Co. Ltd. is a dynamic market-driven enterprise with 70 years of experience in the glass and mirror industry in North America. Innovation and creativity is at the heart of its development. In 2002, the company launched a full surface acid-etched glass and mirror product line under the **Walker Textures™** brand name. Since then, the company has added a line of custom and stock patterns, **Walker Textures™ Nuance**, and a line of anti-slip acid-etched glass products, **Walker Textures™ Traction**.
