FOR IMMEDIATE RELEASE

WALKER GLASS WELCOMES STEVE MORREN TO ITS ARCHITECTURAL TEAM

Montreal, March 21, 2014 – Walker Glass is proud to welcome Steve Morren to the Walker Textures architectural team as Manager of Market Development. He will be responsible for promoting Walker Textures products to architects, designers, specification writers and contract glaziers in Ontario and upstate New York. He will also be responsible for developing and promoting our programs to OEM companies across Canada and USA.

Steve brings to Walker over 30 years of experience in the glass industry. He started his career in 1978 with PPG Industries, then with Walker Atlantic, Fulton Windows, Eastern Float glass and, up until recently, with Saand in Toronto.

“Steve joining our team is an additional step towards our commitment to promote our Walker Textures program to the architectural community and increase our presence in architectural projects in major markets and to significantly increase our presence with OEM companies in Canada and USA.” says Marc Deschamps, Business Development Manager.

“His depth of glass and market knowledge is only equalled by his excellent credibility in the glass industry. A great addition to the Walker Team.” adds Ross Christie, Vice-President Sales & Marketing.

Walker Glass Co. Ltd. is a dynamic market-driven enterprise with over 70 years of experience in the glass and mirror industry in North America. Innovation and creativity is at the heart of its development. In 2002, the company launched a full surface acid-etched glass and mirror product line under the **Walker Textures™** brand name. Since then, the company has added a line of custom and stock patterns, **Walker Textures™ Nuance**, a line of anti-slip acid-etched glass products, **Walker Textures™ Traction** and a line of bird friendly glass, **Walker Textures™ AviProtek**.
